Revenue No 165 b

Deputy Commissioner's Office
Tumkur District 3

Dated 18th May 1894.

To

The Excise Commissioner
in Mysore

Encl 2 Secondts.
Sl 1

Sir

I have the honor to state that the Sa
of the Toddy Kand Farms in this District
for the year 1894-95 was completed on
the 15th may 1894, having been commenced
on the 16th April 1894, as per Government
Notification no. 16422 of the 30th March 1894
R.7.210-92

2. The total amount for the current year
(1893-94) for all the Government Farms
in the District is Rs 1,99,006-10-5 and for the
Inam Farms Rs 7,912-1-2. The amounts
obtained for the ensuing year (1894-95)
are Rs 2,25,591-8-0 and Rs 11,053-14-0
respectively, shewing an increase of
Rs 26,584-13-7 and Rs 3141-12-10 respectively

respectively on a total increase of Rs 29,726-10-5, as can be seen from the enclosed Taluk-wise Statement. Inclusive of Local cess the net increase is Rs 31,584-9-1.

3. Taking the Government Farms alone, the highest increase was obtained in the Tumkur Taluk where the amount rose by Rs 8,600/-. Next comes the Tiptur Taluk with an increase of Rs 8,030-9-7, then comes Honnavara with an increase of Rs 3,294/-, then comes Kumgal with an increase of Rs 2469/- then comes Sira with an increase of Rs 1,860/- then comes Gubbi with an increase of Rs 1,360/-, then comes Maddagiri with an increase of Rs 1331-4-4, and then comes Chickmaikanahully with a decrease of Rs 360/-. Thus it is only in one Taluk that the revenue has fallen by a sum of Rs 360/-. This is owing

to

to the present farmer of one of the farms
in it having suffered heavy loss. He
did not even get the amount he bid
for it. It was therefore impossible to get
at least that figure for the ensuing year.
The total loss by this farm is Rs 840/-;
but there having been a rise by Rs 300/- in
the Shuliyar Subdivision and a rise by
Rs 180/- in the other farms of the Taluk
proper the net loss was reduced to Rs 360/-

4. The realizations by the sale of the
Arrack Vend Farms for 1894-95 amount
to Rs 4,179/- against Rs 3392/- for the current
year (1893-94), or an increase of Rs 787/-.
In the 12 months of the
current year (consisting of 15 months) for
which the proportionate Vend Rental is
Rs 3,392/- 14034 gallons of arrack have
been sold. The rise in the Vend rental
for the ensuing year points, I believe,
to a proportionate rise in the consumption

of

of Arrack. Therefore judging by the rise in the rental the proportionate rise in the Consumption of arrack may be put down at 3,000 gallons. The duty on this is Rs 12,000 at Rs 4/per gallon. Thus the probable rise under the head 'arrack' is Rs 12,000 plus Rs 787 the said increase in the Vend rental, or Rs 12787/- Deducting Rs 2787/- an account of the consumption of arrack not reaching the above estimated quantity owing to some cause or other, the net increase in arrack may, I think, be safely taken at Rs 10,000.

5. Thus the total increase in Toddy and Arrack for 1894-95 may well be taken as Rs 31581-9-1 plus Rs 10,000 or Rs 41581-9-1.

I have the honor to be

Sir

Your most obedient servant

(Signed) B. K. Venkatachariar Ayengar.

Deputy Commissioner.
